

FACULTY POSITION IN CHEMISTRY AT NATIONAL CENTRAL UNIVERSITY

The Department of Chemistry at the National Central University invites applications for a tenure-track faculty position in the area of inorganic chemistry at all levels. Teaching responsibilities will include lecture and laboratory courses in inorganic chemistry at both undergraduate and graduate levels. For information about our Chemistry program, see <http://www.chem.ncu.edu.tw/>. The candidate is expected to develop a strong and externally funded research program that involves training of graduate (M.S. and Ph.D.) and undergraduate students. The applicants must have a Ph.D. degree in Chemistry or related fields. The starting date is August 1, 2019 and the position is open until filled. For full consideration, the applications should be received by February 15, 2019. The candidate's CV including publication list, teaching philosophy, and research proposal in addition to three letters of recommendation should be sent in paper or e-mail (ncu5901@ncu.edu.tw) to Dr. Ming-Chou Chen, Chair, Department of Chemistry, National Central University, No. 300, Zhongda Rd., Zhongli District, Taoyuan City 32001, Taiwan (R.O.C.).
